LESSON OUTLINE ONE

CREATED IN THE IMAGE OF GOD

The word image means representation of a real picture, the characteristics of a person, style, and manner of dressing perceived by others. During the time of Jesus, unbelievers couldn't differentiate Christ from His disciples and the only way to arrest Him before being crucified was by method Judas Iscariot gave them. Luke 22:47-48. As Christians and believers, we are created;

To rule and dominate. Genesis 1:26

To display His glory in our ministry, business, careers on daily basis through His excellent Spirit in us. Daniel 6:3

To roll out new concepts and unbelievable miracles. Genesis 30:31-43

To recreate this fallen world and bring out new heaven and new earth.

To silence enemy's activities against localities. Zechariah 4:7.

To unity the body of Christ with a new heart. Psalm 86:11, 1 Corinthians 12:12,27

LESSON OUTLINE TWO

BE KNOWN BY YOUR DOING

You can identify believers by their actions and observable behaviours which should reflect the positive qualities of their faith like love, kindness, compassion and integrity, the true character of individuals is evident in their actions. Other positive qualities of believers who represent God in a godly way are;

Sharing their faith to the unsaved.

Practicing forgiveness to those that wrong them.

Demonstrating integrity even in a tempting situations.

Being generous to the needy and the afflicted.

Being good stewards of all that God has given you.

SUMMARY

God made us and we are His, we are His people, His own heritage, never squander that ordained privilege.
