Lesson Introduction. Knowing the mind of God is having knowledge of his thoughts, desires and will for every human, especially His beloved children who are called believers.

What God has designed for us is not to be discovered at once but gradually, as our relationship with Him deepens, more are revealed to us. Jeremiah 29:11 say His thought towards us are good and not evil, to ensure we arrive at the destination of a fulfilling life for us.

The psalmist also mentioned that "great are the works of God and His thoughts are deep" Psalm 92:5, hence it is not possible for us to have full grasp of them because the ways of God are past finding.
