Use your talents to increase His kingdom.

Activate divine response through positive declaration when facing difficult situation.

Let your ways please God, so that your enemies will be at peace with you.

God's plan is for us to wisely save and invest for the future while also being rich toward God.

Little gathering in God will increase but wealth gained hastily will dwindle. Proverbs 21:20.

LESSON OUTLINE TWO

MAN'S EXPECTATION OF GOD'S INVESTMENT IN US

In Romans 8:19, bible says that the creation waits expectantly and longs earnestly for God's sons to be made known to be revealed. In 1 Samuel 17, for 40 days, Israelites were waiting for solution to Goliath's threat, in Exodus 14 same Israelites were waiting for redemption from Egyptians following them and Red Sea impeding their progress, so men have always been depending on God's children for solution to their problems and in offering that solution, God is glorified and also receives His returns on investing in His children.

Some biblical examples of man's expectations of God's investment in His children.

Deborah and Balak were God's investment to deliver children of Israel from hands of king Jabin & Sisera. Judges 4:4-24.

Moses rescued Israelites from the Egyptians.

Joshua brought down wall of Jericho to Israelite's heritage.

Peter brought salvation to the family of Gentile, Cornelius. Acts 10.

Elijah stopped the ravaging curse placed on the land by Joshua. Joshua 6:26, 1 Kings 16:34

SUMMARY

The purpose of every child of God is to make profit on God's investment on him, when you are not attaining that goal, there is provision for punishment.
