BIBLE TEXT

1 Kings 13:1-18

LESSON INTRODUCTION

False prophets (ravening wolves) are “so called prophets” who prophesy lies. They claim their prophecy is of God, but it is false. Their aim is to deceive people with their false prophecy by peaching destructive heresies amongst believers (2 Peter 2:1). These false prophets even show signs and wonders to deceive, if possible, the very elect (Matthew 24:24). We are warned to examine the fruits these false prophets produce even though they may pretend to be of God, their fruits will show us whether they are true or false prophets (Matthew 7:18-20). In this lesson, we will be learning how to identify and avoid them.
