### DEMANDING BUT REWARDING

The encounter that will change our lives may not come easily. There are prices to pay for every height we desire to reach. Jacob needs to start a new phase of his life, which will lunch him into becoming fathers of Nations but his name is a major stumbling block that need to be changed. He wrestled with God in form of a man and prevailed and his name was changed from supplanter to Fathers of Nation. He took the following steps before the encounter:

He Prayed Gen 32:9-12

He gave gift Gen 32:13-15.

He was alone with God Gen 32:24.

At bethel Jacob saw the house of God, where angels are coming down and going up through a ladder in his dream. But he needs a second encounter at Peniel where he saw God's face and his life never remain the same.

## LESSON OUTLINE TWO

### BRINGS NEW BEGINNING

Peniel is a life-changing experience that redefines your life, when you come to an end of yourself, your struggles, your ways or become dissatisfied with the status quo. Then you lay hold on God and refuse to let go until you experience a change - your old self dies and a new you emerges.

It is an experience that gives redefinition to your life - you discover your purpose, meaning and direction in life. It is not an emotion, but a tangible experience that is predicated upon your decision. A peniel experience brings you to the place in your life where you understand who you are and where you belong, then you refuse to adapt to where you are.

The encounter in Penie (The face of God) brought these benefits;

Jacob reached brokenness. He lost all self-sufficiency and depended completely on God. Proverbs 3:5
