BIBLE TEXT

Joel 2:7-8.

INTRODUCTION

Looking at Joel 2:7-8, A disciple of Christ must be discipline, united, spiritually aligned and be obedient, staying in his or her God given assigned position, an army of Christ are always in right place, no weapon can stop them. God's army are always charged and ready to enforce divine order.

LESSON OUTLINE ONE

DIVINE ORDER

The word divine order means; God's perfect, established arrangement. 1 Corinthians 14:40. Following God obediently in your steps, decisions and relationship, not human impulses. Not confusion. 1 Samuel 16. Samuel followed God's order in making choice of king for the Israelites. Elimination of disorder, unnecessary struggles. 1 Corinthians 14:33

SIGNS OF OPERATING IN DIVINE ORDER.

Experiencing inner peace in decisions and operations. David rejected Saul's garment in fighting Goliath. Everything will fall in place without force or human's inputs. 2 Chronicles 20:1-20. Divine direction step-by-step. Relationships aligning with destiny. Esther followed Mordecai's instructions, she later got divine alignment.

LESSON OUTLINE TWO

AVOID SELF GOVERNMENT

Ruling your own life by your wisdom, desires and opinions instead of submitting to God's authority, God's Word and the Holy Spirit is dangerous, doing what is right in your own eyes, Judges 21:25 can bring disconnection from God's guidance, Proverbs 14:12, loss of divine protection, opening door to temptation e.g Samson. Self-government can also lead to poor decision making and regret and easy target to the enemy, therefore desist from it and be in God's favourite agenda.

CONCLUSION

Following divine order brings peace not anxiety, direction not confusion, progress not stagnation. It helps to avoid mistakes and wasted seasons and positions one for God's blessings and favour.
