CHERISH GOD'S PRIVACY

MEMORY VERSE

"The secret of the LORD is with them that fear Him; and He will shew them His covenant". Psalm 25:14

BIBLE TEXT

Deuteronomy 29:29 INTRODUCTION. In a world where everyone wants instant access to information, God values discretion and intimacy, God will reveal deeper purposes only to the humble and the reverent. The prerequisite of having deeper intimacy with God is in having godly fear.

LESSON OUTLINE ONE

HOW TO CHERISH GOD'S PRIVACY?

God reveals His covenant progressively, but many are not privileged to understand God's plans and programs.

Let us look at how one can cherish God's privacy.

By keeping your spiritual experience personal, never flaunt your miracles.

Avoid seeking human validation or applause.

Obeys first and speak later. Let actions reflect God's revelation not words.

Meditate and pray privately, build intimacy in secret places. Matthew 6:6

Fear and honour God consistently.

LESSON OUTLINE TWO

BENEFITS OF CHERISHING GOD'S PRIVACY AND THE CONSEQUENCES OF IGNORING IT

Let us look at the benefits to enjoy when having fellowship with Almighty God.

Showing of God's plans and covenant through divine visitation.

Protection from misuse, secrets kept in reverence prevent pride, gossip and misuse.

There will be spiritual growth, just like Samuel in 1 Samuel 3, he later led the Israelites for years.

God entrusts more to those who handle His secrets responsibly.

Consequences of ignoring God's privacy

Revealing God's secrets for personal glory leads to pride and destruction.

Loss of trust. It may lead to withdrawal of deeper revelation.

There will be exposure to attacks, it can bring spiritual harm.

CONCLUSION

Examine your life, are you always in a rush to reveal top secret God has entrusted to you?
