FAITH AND HEALING IN SCRIPTURE

AT A GLANCE

BIG IDEA

Discover how healing is an integral part of God's redemptive plan and how faith plays a crucial role in receiving and maintaining healing. By understanding the spiritual nature of healing and recognizing the enemy's role in sickness, believers can act on God's promises to experience divine health.

PRIMARY PASSAGES

Isaiah 53:4-5

Matthew 8:17

1 Peter 2:24

Acts 10:38

Mark 11:24

KEY TAKEAWAYS

- Healing is part of God's redemptive plan.
- Sickness originates from Satan, not God.
- Faith is essential for initiating and maintaining healing.
- Healing is spiritual and can be lost if not upheld by faith.
- Believers must act on God's Word to experience healing.

INTRODUCTION

The concept of healing through faith is deeply rooted in Scripture, revealing God's desire for His people to experience wholeness. This study explores the biblical principles of healing, emphasizing the role of faith and the spiritual nature of healing as part of God's redemptive plan.

SCRIPTURE READING

- **Isaiah 53:4-5** — This passage reveals that healing is included in God's redemptive plan through Christ's suffering.
- **Matthew 8:17** — Affirms that Jesus took our infirmities, highlighting His role in our healing.
- **1 Peter 2:24** — States that by Jesus' stripes, we were healed, emphasizing the completed work of healing.
- **Acts 10:38** — Establishes that sickness is from Satan, reinforcing the need for spiritual warfare.
- **Mark 11:24** — Illustrates the principle of believing and receiving in prayer, crucial for faith-based healing.
- **Luke 13:16** — Shows Jesus healing a woman bound by Satan, emphasizing the spiritual battle in healing.
- **John 10:10** — Contrasts the thief's intent to steal, kill, and destroy with Jesus' mission to give abundant life.
- **1 John 3:8** — Declares that Jesus came to destroy the works of the devil, including sickness.

SCRIPTURE READING (CONT.)

- **Hebrews 8:6** — Describes the new covenant as better, with better promises, including healing.
- **Proverbs 20:27** — Indicates that God enlightens us through our spirit, which is crucial for receiving healing.
- **1 Thessalonians 5:23** — Highlights God's desire for our complete sanctification: spirit, soul, and body.
- **Romans 12:1-2** — Encourages believers to present their bodies as living sacrifices and renew their minds.
- **2 Corinthians 5:17** — Affirms that believers are new creations in Christ, which includes healing.

KEY POINTS

1. HEALING IN GOD'S PLAN — Healing is a fundamental aspect of God's redemptive plan, as evidenced by Scripture. Through the suffering of Christ, believers are offered not only spiritual salvation but also physical healing. Understanding this truth is essential for embracing the fullness of God's provision for our lives.

- Reflect on the significance of Christ's sacrifice for both spiritual and physical healing.
- Pray for a deeper understanding of God's redemptive plan in your life.
- Share the message of healing as part of God's salvation with others.

2. ORIGIN OF SICKNESS — Sickness is not from God but from Satan. Recognizing this helps believers to resist and overcome illness through spiritual means. By understanding the true origin of sickness, believers can engage in spiritual warfare with confidence, knowing that God desires their healing.

- Identify areas in your life where you need to resist sickness spiritually.
- Engage in prayer and spiritual warfare against illness.
- Encourage others to recognize the spiritual battle against sickness.

KEY POINTS (CONT.)

3. **ROLE OF FAITH IN HEALING** — Faith is crucial for both receiving and maintaining healing. It involves acting on God's Word and believing in His promises. Without faith, it is impossible to please God or to fully experience the healing He offers.

- Cultivate a habit of daily faith declarations based on God's promises.
- Seek to strengthen your faith through regular study of Scripture.
- Encourage others to act on their faith for healing.

Scripture: Mark 11:24 Hebrews 8:6

4. **MAINTAINING HEALING** — Healing is spiritual and can be lost if not maintained by faith. Continuous faith and action on God's Word are necessary to retain healing. Believers must remain vigilant and proactive in their faith journey to uphold the healing they have received.

- Regularly affirm your healing through prayer and Scripture.
- Stay connected with a community of faith for support and encouragement.
- Be mindful of maintaining a lifestyle that aligns with God's Word.
